

Stain Removal Guide

COFFEE/TEA

Spot treat with distilled white vinegar and wash.

WINE

Mix liquid laundry detergent and hydrogen peroxide. Blot -do not rub- until stain is gone.

CHOCOLATE

Cover with laundry detergent for 10 minutes, then soak in cold water before laundering.

FOUNDATION

Pre-treat the spot with dish soap and wash in hot water.

OIL/GREASE

Use baking soda to soak up extra grease. Squirt dish soap on stain then wash in hot water.

DEODERANT

Rub a mix of hydrogen peroxide, baking soda, and water on stain. Let sit 30 minutes and wash.

BLOOD

Apply hydrogen peroxide to stain and let sit for 20 minutes. Apply dish soap and wash.

SWEAT

Mix a paste of water and baking soda. Apply and wash in hot water.

INK

Use acetone, rubbing alcohol, or a magic eraser. Rinse and repeat if needed, then wash.

CANDLE WAX

Freeze and scrape off. Sandwich remaining wax with paper and iron to remove. Wash on hot.

URINE

Add 1 cup of baking soda to your wash machine and use hottest setting.

LIPSTICK

Blot with isopropyl alcohol and wash.
